

NEWSLETTER 3

June 2019

Dear colleagues and participants of
the 11th European Music Therapy Conference

Very soon, we will meet you in Aalborg! We, the organizing committee, are thrilled that more than 500 participants have registered, and we cannot wait to welcome music therapy colleagues and collaborators from all over the world.

We are delighted to present to you an overview of the scientific conference programme following this link:

www.musictherapy.aau.dk/emtc19/programme

During the conference, all programme information will be available with our conference APP, thus, the programme overview is just to inform you about the topics, presenters, chairs, and time and place of the presentations.

The on site registration for the conference will be open Wednesday 26th of June at 15.30 in Musikkens Hus in the foyer, followed by the opening ceremony at 17.30.

At the opening ceremony, we will tune in to our conference theme *Fields of Resonance* in inspiring musical, creative and academic ways. We will use the opening ceremony as the starting point for the coming four days of sharing and interacting, and for gaining insight in music therapy practice and research. The opening ceremony will take place in the beautiful Concert Hall in Musikkens Hus.

After the opening ceremony, Aalborg Council invites you to a reception in the foyer in Musikkens Hus. At the reception, you will be served a glass of bobbles and delicious appetizers from Musikkens Hus' Restaurant.

When you register on site for the conference in Musikkens Hus, we will ask

you to sign a consent form regarding the use of photos and videos. We would like to show photos/video at the closing ceremony, but off course *only* if you agree on this and in accordance with General Data Protection Regulation. You can also download the [consent form](#) from our website, and bring the signed version with you.

[Arriving Aalborg](#): The train and bus [station](#) is in the centre of Aalborg and in walking distance to the hotels near the conference venue, Musikken Hus. The [airport](#) is a 15 minutes' drive (7 km) from Musikken Hus. There are [buses](#) directly to the city centre.

www.musikkenshus.dk

At the conference, music therapy books will be available for sale. If you want to be sure that a certain book is there for you, it is possible to pre-order books [here](#)

Stay updated with EMTC2019-news by following our Facebook group (11th European Music Therapy Conference) and check the NEWS and Newsletters on www.emtc2019.aau.dk
